## The Origin of April Fool's Day

By B. Jordan

The actual origin of April Fool's Day is unknown. It is presumed that this day began in 1582 after Pope Gregory declared the adoption of his Gregorian calendar to replace the Julian calendar with the date of the New Year officially being changed to January 1, but it took time for this news to reach France who celebrated the New Year on the first day of April. After finding out about the change many of the people chose to ignore the new calendar and continued to celebrate the New Year on April 1<sup>st</sup>. By doing this, they were thought to be "*April fools*" and were subjected to ridicule and practical jokes.

The ridicule continued and over time into a tradition of prank playing on the first day of April. The tradition spread to England, Scotland and America and has developed into an international day of playing practical jokes on friends and family.

### What does the word of God say on this subject?

**Ephesians 5:** <sup>1</sup> Be ye therefore followers of God, as dear children; <sup>2</sup> And walk in love, as Christ also hath loved us, and hath given himself for us an offering and a sacrifice to God for a sweetsmelling savour. <sup>3</sup> But fornication, and all uncleanness, or covetousness, let it not be once named among you, as becometh saints; <sup>4</sup> Neither filthiness, nor foolish talking, nor **jesting**, which are not convenient: but rather giving of thanks.

**Matthew 4:4** But he answered and said, It is written, Man shall not live by bread alone, but by **every word** that proceedeth out of the mouth of God.

**Jeremiah 10:** <sup>1</sup> Hear ye the word which the LORD speaketh unto you, O house of Israel: <sup>2</sup> Thus saith the LORD, **Learn not the way of the heathen**, and be not dismayed at the signs of heaven; for the heathen are dismayed at them. <sup>3</sup> For the customs of the people are vain:

## Daughters and Sons, True Love Waits

Submitted By Sis. Mildred Blount

Dear Daughters and Sons,

This letter is written to you, to help you to remain faithful and pure until marriage. The slogan, "*True Love Waits*" is very accurate. The world will have you believe that sex before marriage is acceptable. The truth is that the best sex is between a husband and wife. Do not allow the enemy to fool you and make you think that hidden pleasures are great. The truth is that the guilt, shame and consequences that come from living a life of sin cannot come close in comparison to the beautiful treasures that God has in store, for His children who obey Him. You are here because this is your destiny, to live a life of pure holiness and to be used completely by God. Your living is not an accident, no matter how you were born. To live a holy life is the greatest way to allow God to work in your life. He rewards those that follow His Commandments.

Words of Wisdom: Get to know God! Do not be deceived by the lies you hear from those who have given into the enemy. Keep your minds and hearts focused upon what God has in store for you. Be a living witness on how waiting on God is the greatest reward ever! "...But my God shall supply all your needs according to His riches and glory by Christ Jesus!" Philippians 4:19. You may become lonely sometimes, but you will never be alone - God will sustain and uphold you. When temptation comes, answer the enemy like Joseph answered Potiphar's wife- "...how now can I do this great wickedness, and sin against God?" Genesis 39:9.

Most importantly, think about Jesus and His love for you and your love for Him. Would He want this for your life? If your answer is, "No"! Then get out of the situation fast because His plan is for you to prosper and advance in His kingdom. Ask God about your future marriage mate. Pray for that person. Remember, God knows this person already. Believe that God will keep His promises toward you and will bless you with His perfect choice for a spouse. For the Lord is a shield. ... "The Lord will give grace and glory; no good thing will He withhold from them that walk uprightly." Psalm 84: 11. "Delight thyself in the Lord; and He shall give you the desires of thine heart." Psalms 37: 4. Get grounded in the Lord by serving others. This will preoccupy your time. Observe your surrounding; be proactive about where you go and with whom you hang out. Preventing tempting situations is best. Flee also youthful lust; but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart. 11 Timothy 2:22.

Be wise and know ahead of time what you would do if certain situations arise. Stay in touch with others who are making this same commitment of purity and hold each other accountable. Exchange telephone numbers and e-mail addresses, encourage one another from time to time. You will live a truly victorious life if you live for God's purpose. Obedience is better than sacrifice. Remember, God Rewards Obedience. ... "Let no man despise thy youth; but be an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity." I Timothy 4:12. You Are Loved!

### 'CATHERINE'S COLUMN' National Oral Cancer Awareness - April 2011

#### Tongue Cancer: 'A New Epidemic'

According to Dr. Bruce H. Haughey and Joseph B. Kimbrough, Professor of Otolaryngology and Director of Head and Neck Surgical Oncology at the Washington University School of Medicine in his lecture dated May 5, 2010, throat and tongue cancer is becoming a new epidemic. The lecture consisted of history of the disease, scope of the problem listed as a (viral) epidemic and questions on how medical professionals should treat it. It is a disease of Celebrities, Kings and Presidents. Overall incidence stats for America in the year 2010 were 35,000 - 40,000 cases. The cases related to smoking were falling while viral derived cases were increasing. A US Multi-center study showed presence of the HPV (Human Papilloma Virus) in lab slides that attributed to this type of cancer.

**HPV** has more than 100 strains and 13 are known to cause cervical cancer. HPV-18 is noted to be the most virulent strain. HPV can insert their DNA into the host cell or human DNA cell where it produces proteins that lead to cancer. In the case of Henrietta Lack's (HeLa) abbreviation of her name and known to scientist because they used her HPV cells to help find a vaccine for diseases such as polio. Researchers discovered how the virus works. HPV inserted its DNA into the long arm of (Henrietta's) eleventh chromosome

and essentially turned off her p53 suppressor genes or (tumor suppressant genes).

**Tongue Piercing:** In an article of the Associated Press (AP) dated October 17, 2006, a Chicago female teenager described stabbing pains in her face that felt like electrical shocks lasting 10 to 30 seconds and struck 20 to 30 times a day. Her doctors diagnosed trigeminal neuralgia, a nerve disorder sometimes called "suicide disease" because of the excruciating and dispiriting pain it causes. Doctors tried painkillers, then stronger medication, but in the end, a cure proved more simple: The young woman removed the metal stud from her pierced tongue. (A *pierced tongue* has become highly popular among young people.) Two days later, her pain vanished. The account in Wednesday's [Journal of the American Medical Association](http://www.msnbc.msn.com/id/15305276/ns/health-health-care/) is the latest documentation of complications, some life threatening, linked to **tongue piercing**. Other problems include tetanus, heart infections, brain abscess, chipped [teeth](#) and receding gums. One woman developed so much scar tissue that it resembled what she called a "second tongue." For more information go to: <http://www.msnbc.msn.com/id/15305276/ns/health-health-care/> Tongue cancer also encompasses oral cancer and **April is National Oral Cancer Awareness Month** for oral, throat and tongue cancer. ## Five Foods That Help You Sleep

Submitted by Sis. Leslie Williams

- 1. Cherries.** Fresh and dried cherries are one of the only natural food sources of melatonin, the chemical that controls the body's internal clock to regulate sleep. Researchers who tested tart cherries and found high levels of melatonin recommend eating them an hour before bedtime or before a trip when you want to sleep on the plane.
- 2. Bananas.** Potassium and magnesium are natural muscle relaxants, and bananas are a good source of both. They also contain the amino acid L-tryptophan, which gets converted to 5-HTP in the brain. The 5-HTP in turn is converted to serotonin (a relaxing neurotransmitter) and melatonin.
- 3. Toast.** Carbohydrate-rich foods trigger insulin production, which induces sleep by speeding up the release of tryptophan and serotonin, two brain chemicals that relax you and send you to sleep.

**4. Oatmeal.** Like toast, a bowl of oatmeal triggers a rise in blood sugar, which in turn triggers insulin production and the release of sleep-inducing brain chemicals. Oats are also rich in melatonin, which many people take as a sleep aid.

**5. Warm milk.** Like bananas, milk contains the amino acid L-tryptophan, which turns to 5-HTP and releases relaxing serotonin. It's also high in calcium, which promotes sleep.

**Benefits of Drinking Water**

(A Dr. Oz item of interest)

Submitted by Sis. Jimmie Mae Calhoun

Another little tidbit that was news to me. I always knew one should drink a lot of water, but who knew that the timing affected things?

Drinking water at the correct time maximizes its effectiveness on the Human body:

- ✿ 2 glasses of water after waking up helps activate internal organs
- ✿ 1 glass of water 30 minutes before a meal - helps digestion
- ✿ 1 glass of water before taking a bath - helps lower blood pressure
- ✿ 1 glass of water before going to bed - avoids stroke or heart attack

So make sure to drink plenty of water for good health.

**I Sam. 2:2-10**

<sup>2</sup>There is none holy as the LORD: for there is none beside thee: neither is there any rock like our God. <sup>3</sup>Talk no more so exceeding proudly; let not arrogancy come out of your mouth: for the LORD is a God of knowledge, and by him actions are weighed. <sup>4</sup>The bows of the mighty men are broken, and they that stumbled are girded with strength. <sup>5</sup>They that were full have hired out themselves for bread; and they that were hungry ceased: so that the barren hath born seven; and she that hath many children is waxed feeble. <sup>6</sup>The LORD killeth, and maketh alive: he bringeth down to the grave, and bringeth up. <sup>7</sup>The LORD maketh poor, and maketh rich: he bringeth low, and lifteth up. <sup>8</sup>He raiseth up the poor out of the dust, and lifteth up the beggar from the dunghill, to set them among princes, and to make them inherit the throne of glory: for the pillars of the earth are the LORD's, and he hath set the world upon them. <sup>9</sup>He will keep the feet of his saints, and the wicked shall be silent in darkness; for by strength shall no man prevail. <sup>10</sup>The adversaries of the LORD shall be broken to pieces; out of heaven shall he thunder upon them: the LORD shall judge the ends of the earth; and he shall give strength unto his king, and exalt the horn of his anointed.

### Instructions About Leavened Products During The Feast of Unleavened Bread [Approved by Bro. Buie]

Many questions arise during this feast pertaining to leaven: leaven means “**puffed up**”. All “**BREAD**” products (*i.e. Breads, Waffles, Donuts, Cookies, Brownies, Croissants, Breaded Chicken/Fish, Pancakes, etc.*) that are leavened (Puffed Up) should be removed from your home before the end of Passover. You do not have to throw away your baking powder, baking soda or yeast during this feast because these products are in dry form and haven’t been mixed with water, or other liquid and dry ingredients to activate them. **Dry mixes** (bread mix, cake mix, etc.) containing leavening agents do not have to be thrown out because they have not been leavened (puffed up). **Matzo (Matzah)** is the bread of choice for most people during the Feast of Unleavened Bread, but alternatives to Matzah are **Hot Water Corn Bread** or **Pita Bread** [to be safe don’t use any leavening agents in them that could cause them to rise]. If you purchase Pita Bread make sure that it isn’t puffed up.
