**LIHEAP**  
**(Low-Income Home Energy Assistance Program)**

LIHEAP applications are now being accepted throughout September and October, for homes with senior citizens and disabled residents. Beginning October 1, applications will be accepted for homes that are currently disconnected due to lack of payment. All other households meeting the eligibility guidelines can apply on and after November 1st. Cook County residents in need of assistance with their utility bills should call CEDA's **LIHEAP Hotline at 800-571-CEDA (2332), 8:00 a.m.—6:00 p.m. Monday – Friday.**

**Eligibility Requirements:** To be eligible for LIHEAP, residents must be at or below 150% of the federal income poverty level and live in Cook County. LIHEAP applications can be taken at one of the intake sites located throughout Cook County. When applying for assistance, clients must bring in the following information:

- Proof of \*gross income from all household members for the past 30 days.

# Of residents in household	Gross Income for 30 days before application
1	\$ 1,300
2	\$ 1,750
3	\$ 2,200

- A copy of your current heat and electric bills (if you pay for your home energy directly).
- Proof of Social Security Numbers of all household members (**Social Security Cards, a letter or printout from the Social Security Administration, or any other form of government-issued identification that shows both name and Social Security Number**).

- If a member of your household receives TANF, you must bring their "Medical Eligibility Card".
- If you rent and your utilities are included in the rent, bring proof of your rental agreement that must state your monthly rent amount and that your utilities are included in the rent.
- Proof of home ownership is required for furnace.

Most applications take at least 30 days to process, so clients must be patient. Clients will receive written notification of their approval for LIHEAP funds. If the client is approved, money is either given directly to the utility company or, if the clients' utility bills are factored into their monthly rent payment, given directly to the client.

\* For households with more than three residents please visit CEDA's website below to view a complete chart of gross incomes.

**Extreme Couponing**

*By Sis. Melinda Williams*

Have you ever heard those "myths" about the lady who goes into the store and comes out with hundreds of dollars in products while only paying pennies on the dollar. Well this person is no longer a myth. He/she does exist. People who do this are called extreme couponers, super couponers and my personal favorite, just plain old "cheapskates".

Extreme couponing has changed the way I shop. I had been the occasional coupon user that would look at coupons, cut out a few that I thought I would use and throw the rest away. Boy was I WRONG!

**Why use coupons?**

How can a 25 cent coupon really make an impact on my grocery budget? I used to think the same way. Saving a quarter or fifty cents here and there is simply not worth the time and effort. However, I learned that if I combine these savings with a great sale or promotion, that I could maximize my savings. I also learned that most stores will allow you to combine a store coupon with a manufacturer's coupon; this is called "stacking," this is a big component in bringing your total grocery bill down. These savings typically slash my bill by 30-50%. However, with a minimal amount of effort and careful planning I have realized savings of up to 80% of my bill.

**How do I get started?**

COUPONS! Obviously you'll need coupons. However, take baby steps. Do not go out and buy 10 newspapers, buy a huge coupon organizer and spend 5 hours clipping coupons when you have never used coupons a day in your life. Doing this will take an enormous amount of time and probably frustrate you before you have saved one cent on your grocery bill. Instead buy 1-2 papers on Sunday (or better yet get them from your mother, your neighbor or anybody else who will give you their coupon inserts), and match these up with some of the items that are on sale at your favorite store. Once you do this a few times you will gain more confidence. Then you should start looking for other sources to get coupons from. Some of these sources are:

- coupon.com
- smartsource.com
- redplum.com
- Manufacturer websites and Facebook pages
- Store websites
- Grocery store ads
  - These types of coupons are generally higher in value than the coupons found in the newspaper, so it is worth the extra effort. As you do more deals, you will find more ways to get different coupons.

**Buy ahead!**

For example, don't wait until you are completely out of toothpaste to buy it, because inevitably it will not be on sale and you will not have a coupon when you need it. I learned that grocery stores typically have a 12 week cycle in which everything is at its lowest price point. When that happens, that is the best time to swoop in and buy that item for an even bigger discount using the coupons and store discounts that are available.

An Ongoing Column by  
Sis. Dacia

Everywhere I turn, from the TV, to the movie screen, and on the music scene, there are influences that can

keep your mind focused on S-E-X. Well, let's talk about that. For whatever reason we stray away from this topic at the dinner table or during family conversations, it gets swept under the rug, and is hardly ever mentioned explicitly in any church setting (which in my opinion is the most important place to discuss it). It's that forbidden fruit that lingers in the shadows of our everyday lives yet has a spotlight in every form of media.

Everyone is "doin' it" or so it seems. Thanks to a recent musical contribution by Jeremih, we even think we are supposed to receive "it" as a special birthday gift. We are influenced by and seek to pattern ourselves whether consciously or subconsciously after the "stars" that have "made it". I have spent hours on blog sites trying to catch up with the latest trends and see who is doing what and with whom. When the reality is what they do and have done, doesn't really matter. It's all about what I do in Christ Jesus. Ask yourself, how does my light shine in the midst of darkness? To those men and women who are still virgins, continue to walk in your purity. Don't let anyone tell you that abstinence isn't the best option. Not just because of Sexually Transmitted Infections (STIs) or the risk of pregnancy but more importantly because God is watching. He requires us to be pure and clean before him. He desires us to be committed to Him (both men and women) until that one day we decide to say, "I do". I stand as a living witness that it is possible to abstain until marriage. I want to encourage you today, that you can do it too! Stand with me today in my **campaign for abstinence amongst the children of the Most High God**. Let's start encouraging one another to live right for God and refute the desires of the flesh.

As inspired by the popular sitcom and blockbuster 'Sex In The City' that stormed the country, I'd like to use this space to talk about sex, dating, relationships, and life not only from a young person's perspective but also from a Christian perspective.

Until next time stay prayed up!

## HEALTH CORNER

### Catherine's Column "Nutritional Supplement Junkies"

In an effort to become as healthy as possible, consumers who desire optimal health and people who have health challenges are on the verge of becoming "Nutritional Supplement Junkies". Healthcare consumers are becoming victims of the marketing schemes of some nutritional supplement product manufacturers who are just 'cashing in' on their health challenges with ads and marketing strategies that seem to be able to restore a person's health and claim their products are 100% natural. Beware of this type of advertising. Learn to "EAT WHAT YOU NEED".

Nutritional supplements that contain ingredients with names you do not understand 'LOOK THEM UP'. If you cannot invest in a book about ingredients, have access to the internet, or local library, it would be best not to use the product until you have an in depth knowledge of the benefits and side effects. Some side effects can cause more harm than good and can be irreversible.

Products that claim to be natural can be a 'natural' synthetic and not necessarily naturally derived. Marketers are experts in using a play-on-words. For instance, if a product contains an ingredient such as 'thymus gland powder', the key word here to investigate is gland. Humans and other mammals have glands so this ingredient could be human or animal derived. The danger here is that you would not know the origin of the gland and if it was contaminated with viruses, bacteria or microbes to say the least. Another thing to be aware of is products that come in capsule form. Unless the bottle states 'vegetarian capsule' it is best not to purchase or utilize the product. As a nutritional consumer be careful not to get caught up in marketing strategies of "Pyramid Selling Schemes". If everyone can make money off selling a single product by multiple resellers under a pyramid effect, one should ask a question as to the actual quality and potency of the product.

Your health begins with you. When you want vegetables or foods that you cannot find in your local food markets, do not hesitate to ask for the manager and request the product. Don't be afraid to complain about the stores inventory if you find they carry too many sugary or starchy products. You are the consumer you have power. Request what you need.

Now that you are able to purchase better products take inventory of your own kitchen cabinet and refrigerator. Do you have in these spaces what YOUR body needs to be healthy? For instance if you are a diabetic, have you started to include bitter melon in your diet and removed onions because they convert to sugar? If you have had a stroke, have you removed items that cause the blood to thicken such as ginger and added marjoram, which helps to increase blood circulation to the brain? If you have copper deficiency, can you eat more fish and beans or dark leafy vegetables? When you purchase bottled water, is it good water that contains silica, which helps the body heal or is it steam distilled which helps to take out many of the water impurities? Water is essential in helping your body distribute the nutrients from your food that you have consumed. You are in control when you eat what you need and therefore decrease the possibility of becoming a "Nutritional Supplement Junkie".

### Building Hope Naturally & Spiritually

*To our good health*, we must keep our minds focused on the positive at all times in order to keep our selves in good health. I keep saying it's how we think and what we eat that equals good health. We really have to work at it people, because it's not easy, yet it's not hard either with a positive mind. Eat nutritiously; because a healthy life runs on healthy foods, so let's enjoy the benefits of both.

*To our spiritual growth*, let us take inventory of our selves often, and pray for forgiveness for the things we've done with and to others, by being disobedient to almighty GOD because its coming back to you whether good or evil. Ecc12:13-14 and 1John3:4. Giving and receiving love equals a heart that loves. Spread joy, and build a strong immune system by forgiving and releasing yourself from burdens and grudges, welcoming one another in peace. Practice gratitude because a mind-set of gratitude brings more happiness, health and calmness to your life. Develop acceptance, free yourself from worry and accept the things that you cannot change and move on.

Spiritual food to digest to help keep our thoughts in line and focus on spiritual food, Isaiah 58:13-14 and Proverbs 6:16-19

I'm so very grateful for being blessed to be a part of the high and holy days of the God of Israel. It's a joy to be able to cook for the LORD'S feasts days.

As ever yours,  
Truly, two-mama CALHOUN

## “A SMORGASBORD OF A LIE”

By Kent Lawton

*Continued from the last newsletter*

### The Beginning

We read in the first book of the Bible, **(Gen.1:26-28) (v.26) And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. (v.27) So God created man in his own image, in the image of God created he him; male and female created he them. (v.28) And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.** Here we find out that although man was given authority and dominion over God's creation, he doesn't command man to eat all things. Clearly there are poisonous herbs and fruit trees harmful to man, but God said there are also herbs and fruit trees fit for food. At the creation God didn't give man the flesh of animals to eat.

### Clean Animals Preserved for Food

Just before the flood, God directed Noah to build an ark to preserve the different kinds of animals according to species. Noah was instructed to take seven pairs of all clean beasts and two pairs of the unclean, **(Gen:7:1-2) (v.1) And the LORD said unto Noah, Come thou and all thy house into the ark; for thee have I seen righteous before me in this generation. (v.2) Of every clean beast thou shalt take to thee by sevens, the male and his female: and of beasts that are not clean by two, the male and his female.**

The Lord had a couple of reasons for preserving more clean beasts than unclean for use after the flood. One reason is that Noah would offer some of the clean beasts as sacrifices to the Lord, and maybe most vegetation was destroyed by the flood. The Lord gave certain animal flesh for man's food. After the flood, God said in: **(Gen:9:2-4) (v.2) And the fear of you and the dread of you shall be upon every beast of the earth, and upon every fowl of the air, upon all that moveth upon the earth, and upon all the fishes of the sea; into your hand are they delivered. (v.3) Every moving thing that liveth shall be meat for you; even as the green herb have I given you all things. (v.4) But flesh with the life thereof, which is the blood thereof, shall ye not eat.** The difference between clean and unclean animals were given before the flood so much for those that say “the law of Moses”: **(Gen:7:2-3) (v.2)**

**Of every clean beast thou shalt take to thee by sevens, the male and his female: and of beasts that are not clean by two, the male and his female. (v.3) Of fowls also of the air by sevens, the male and the female; to keep seed alive upon the face of all the earth.**

### Clean Food Laws Binding

The difference between clean and unclean animals which were given before the flood **(Gen:7:2-3)**, were later written down by Moses as a part of the Covenant. About a thousand years after the flood, when the children of Israel were released from the bondage of Egypt, they received from the Lord through his servant Moses (through his servant Moses, these are not the laws of Moses!) the commandments, statutes, and judgments which included the dietary law. In **Leviticus 11** and **Deuteronomy 14**, we find how the clean and unclean beasts of the air, land, and sea were itemized and differentiated. The law of diet was given for two reasons. First, because Israel was to be a chosen people, a peculiar treasure and a kingdom of priests unto Him above all peoples, **(Ex:19:5-6), (Deut:14:2)**. This relationship can only exist if the people involved are clean as they come before God. Second, all of God's laws including the dietary laws were given as a blessing for Israel.

You see the Lord punishes the man who disobeys His laws. How? One way is through the law of cause and effect. Long before the invention of the microscope and the advancement of medical technology, the Lord instructed man not to eat those animals, which most readily transfer diseases and to eat only the more healthy meats. Do you desire good health and long life? Remember the eternal promise of our Heavenly Father written in His Word. **(Ex.15:26) And said, If thou wilt diligently hearken to the voice of the LORD thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the LORD that healeth thee.** On the other hand, The Lord warned that sickness and disease would surely befall the people if they disregarded His law of diet. These laws of clean foods were kept by true Israelites from the time that they were given even to this day.

*To be continued in the next newsletter.*

## 'CRETIN'

By Abiel Lyda & B Jordan

Before defining Cretin, let's do some background work on the word Crete: **Crete:** Known to us as one of the largest Greek islands, that is written in Webster's Dictionary as the Byzantine Empire in the E Mediterranean. In the Greek, it is written as Krete. In the Old Testament, Crete is called Caphtor (Amos 9:7). In Acts 1:1-11 the Cretes

are seen as a group of Jews in Jerusalem that were keeping Pentecost known as the Feast of Weeks.

Cretians: (Titus 1:12)"One of themselves, even a prophet of their own said, The Cretians are always liars, evil beast, slow bellies". "Slow bellies" in the scriptures means Lazy glutton.

**Cretin:**

**Dictionary.com**

[Origin: 1770–80; < F; Franco-Provençal *creitin*, *crestin* human being, lit., CHRISTIAN (hence one who is human despite deformities)]

**American Heritage Dictionary**

[French *crétin*, from French dialectal, *deformed and mentally retarded person found in certain Alpine valleys, from Vulgar Latin \*christianus, Christian, human being, poor fellow,* from Latin *Chrīstiānus, Christian;* see **Christian.**]

- 1: One affected with \*cretinism
- 2: a stupid, obtuse, or mentally defective person.

**Roget's Super Thesaurus**

idiot, imbecile, moron, retard

\*Cretinism: one affected with a congenital abnormal condition, characterized by physical stunting and mental retardation.

Therefore, when someone yells "*Cretin*" they are basically calling you a stupid (Christian). In this society anyone who professes a belief in GOD by some are considered to be stupid or mentally ill. Always know what you mean when you speak, because all words don't necessarily mean what you think they do.

<sup>1</sup>The LORD reigneth; let the people tremble: he sitteth between the cherubims; let the earth be moved. <sup>2</sup>The LORD is great in Zion; and he is high above all the people. <sup>3</sup>Let them praise thy great and terrible name; for it is holy. <sup>4</sup>The king's strength also loveth judgment; thou dost establish equity, thou executest judgment and righteousness in Jacob. <sup>5</sup>Exalt ye the LORD our God, and worship at his footstool; for he is holy. <sup>6</sup>Moses and Aaron among his priests, and Samuel among them that call upon his name; they called upon the LORD, and he answered them. <sup>7</sup>He spake unto them in the cloudy pillar: they kept his testimonies, and the ordinance that he gave them. <sup>8</sup>Thou answeredst them, O LORD our God: thou wast a God that forgavest them, though thou tookest vengeance of their inventions. <sup>9</sup>Exalt the LORD our God, and worship at his holy hill; for the LORD our God is holy.

This website talks about the epidemic of abortions occurring amongst Black women. There are also graphic photos of aborted fetuses, showing the magnitude of this horror.

[Why King James Only? Part Two](#)

This is a very good video series that breaks down importance of using the King James Bible over all of the other versions of the Bible. A series that also touches on the omissions in the other versions also.

**JUST A TAP ON THE SHOULDER**

A passenger in a taxi leaned over to ask the driver a question and gently tapped him on the shoulder to get his attention.

The driver screamed, lost control of the cab, nearly hit a bus, drove up over the curb and stopped just inches from a large plate glass window.

For a few moments everything was silent in the cab.

Then, the still shaking driver said, 'Are you OK?'

I'm so sorry, but you scared the daylights out of me.'

The badly shaken passenger apologized to the driver and said he didn't realize that a mere tap on the shoulder would startle the driver so badly.

The driver replied, "No, no. I'm the one who is sorry; it's entirely my fault. Today is my very first day driving a cab. I've been driving a hearse for the past 25 years." 😊
