LIHEAP
(Low-Income Home Energy Assistance Program)

LIHEAP applications are now being accepted throughout September and October for homes with senior citizens and disabled residents. Beginning October 1, applications will be accepted for homes that are currently disconnected due to lack of payment. All other households meeting the eligibility guidelines can apply on and after November 1st. Cook County residents in need of assistance with their utility bills should call CEDA's **LIHEAP Hotline at 800-571-CEDA (2332), 8:00 a.m.—6:00 p.m. Monday – Friday.**

Eligibility Requirements: To be eligible for LIHEAP, residents must be at or below 150% of the federal income poverty level and live in Cook County. LIHEAP applications can be taken at one of the intake sites located throughout Cook County. When applying for assistance, clients must bring in the following information:

- Proof of *gross income from all household members for the past 30 days.

# Of residents in household	Gross Income for 30 days before application
1	\$ 1,300
2	\$ 1,750
3	\$ 2,200

- A copy of your current heat and electric bills (if you pay for your home energy directly).
- Proof of Social Security Numbers of all household members (**Social Security Cards, a letter or printout from the Social Security Administration, or any other form of government-issued identification that shows both name and Social Security Number**).
- If a member of your household receives TANF, you must bring their "Medical Eligibility Card".
- If you rent and your utilities are included in the rent, bring proof of your rental agreement that must state your monthly rent amount and that your utilities are included in the rent.
- Proof of home ownership is required for furnace.

Most applications take at least 30 days to process, so clients must be patient. Clients will receive written notification of their approval for LIHEAP funds. If the client is approved, money is either given directly to the utility company or, if the clients' utility bills are factored into their monthly rent payment, given directly to the client.

'THE TEN'
 by Bro. Ozell

Israel,
 Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord, [2Peter 1:2]

Grab your *'Bible'* and your copy of *'The Four Winds of Heaven'* book once you finish reading this article. Then go study God's Word along with the information concerning the 10 toes.

On May 27, 2011, the testimony of Jesus, the spirit of prophecy was revealed. A decision was made among the European Union that will forever change the world until the Lord Jesus himself returns.

Revelation 17v12 And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.

What has been revealed is the decision of the Western European Union in changing their name and becoming *'The TEN'*.

Here is a snippet of what happened

“Considering that ¹Belgium, ²France, ³Germany, ⁴Greece, ⁵Italy, ⁶Luxembourg, the ⁷Netherlands, ⁸Portugal, ⁹Spain and the ¹⁰United Kingdom agree that they shall, **under international law, be jointly liable for fulfilling the residual administrative obligations of the WEU and that, to this extent, they will assume jointly the rights and obligations of the WEU;**”

AGREED THE FOLLOWING:

"Belgium, France, Germany, Greece, Italy, Luxembourg, the Netherlands, Portugal, Spain and the United Kingdom (hereinafter called "the Ten") recognize that they will be jointly responsible, including financially, to the extent of the key governing mandatory contributions to the WEU, vis-à-vis the European Union Satellite Centre, with respect to the WEU residual administrative obligations specified in paragraph 1 of this Decision, particularly in view of Article 40 of the WEU Pension Rule."

http://www.weu.int/documents/Decision_WEU_en.pdf

Two points of research that should be done is who are the WEU (the past) and the EUSC (the future)? Please go the following website and read the information concerning the European Union.

The EU will now operate under the umbrella of an organization called The European Union Satellite Centre

http://www.eusc.europa.eu/index.php?option=com_frontpage&Itemid=1

The WEU helped shaped the EU into what it is today militarily and we see it is the fruits of their labor in the North African countries today.

<http://weu.int/>

On July 1, 2011, the decision to call the WEU the 'TEN' went into effect. Since that time, we have had a barrage of European and global leaders calling for a United States of Europe or Federalist Europe .

The word of God says these kings must have ONE mind.

Revelation 17v13 These have one mind, and shall give their power and strength unto the beast.

<http://news.yahoo.com/former-german-leader-calls-united-states-europe-152550361.html>

In the above article, the former President of Germany questions Great Britain's loyalty to the EU.

“Schroeder, who says the EU can only respond to growing competition with the United States and Asia by being fully united, has long pointed to Britain as a hurdle to further EU integration.”

"Great Britain causes the greatest problems. (It is) not in the euro but the British nevertheless always want to participate when it comes to designing a European economic area," he said. "That doesn't work."

The Prime Minister of Great Britain even called for a United States of Europe.

Why Eurozone should become United States of Europe, by David Cameron

<http://www.dailymail.co.uk/news/article-2034521/Why-Eurozone-United-States-Europe-David-Cameron.html?ITO=1490>

France, Germany Propose 'True European Economic Government'

“Will you finally speak with one voice and end the cacophony (disharmony) that has endured for many months?”

<http://www.npr.org/blogs/thetwo-way/2011/08/16/139673843/france-germany-propose-true-european-economic-government>

We have the 10 nations, we have leaders calling for the 10 nations to become a United States of Europe and become one. This will lead to the beast or the 8th to lead these nations. The call has gone out and a man has put his hat in the race.

'The 8th'

Revelation 17

¹⁰And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space. ¹¹And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition. ¹²And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. ¹³These have one mind, and shall give their power and strength unto the beast.

Van Rompuy tipped to chair new 'economic government'

Herman van Rompuy wants second term as strengthened EU president

<http://www.telegraph.co.uk/news/worldnews/europe/eu/8742920/Herman-van-Rompuy-wants-second-term-as-strengthened-EU-president.html>

I'm not saying he is the 8th only God knows right now. What we want to pay attention to is the seat in which the 8th will sit, that is what is important here.

We should know a lot more this time next year.

STAY TUNED

Revelation 19:10

And I fell at his feet to worship him. And he said unto me, See thou do it not: **I am thy fellowservant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.**

Peace in the mighty name of Jesus

Focus on yesteryear, today & tomorrow's generation...

Let it begin with me.

Being one of the elder persons, some way, somehow, we should be able to get across to the young people that an education and especially a life is a terrible thing to waste. However, we do have some exceptions among our young, praise God almighty, but if we don't teach them how to pull up their pants and to pull their blouses and skirts down, then what do we expect when we leave it to society? Young ladies don't know how to demand respect for themselves from young men, and some young men have never heard the word '*decent*' associated with girls. Yesteryear, young people were taught respect, the Lord's Prayer, bible verses, and when the elders spoke, it was profound, and they didn't sugar coat their words or tone either. They didn't have to go to the jail houses, hospitals etc. The preachers back then to the best of their knowledge, taught what little they knew from the Bible. Now the elders are [retiring] from what little they knew about the word of God, and some of everything is on the scene. Poor children, what they see, especially on TV, they think that's the way of life and how they should live. So they know not respect or the [fear] of God almighty, or that their body is the temple. [1 COR. 3:16-17 & II COR. 6:1] They need to know that it's better to marry than to burn. [1 Cor. 7:9]

To our spiritual growth...

Let us seek to put JESUS back into the equation, a name you hear little of and some think the word 'doctor' has replaced the name JESUS in our conversations. Some have bypassed JESUS all together and have gone straight to GOD (The Father). Sisters and brothers the little things count, all day, every day. The care, concern and spiritual love for each other needs Proverbs 3:27-28 {*Withhold not good from them to whom it is due, when it is in the power of thine hand to do it. Say not unto thy neighbour, Go, and come again, and to morrow I will give; when thou hast it by thee.*}. Maybe a kind word, or a smile, maybe a ride if needed because we know where we've been and not where we may go. Today, I may be driving but tomorrow I might not have a car or have the opportunity to offer a ride. What we do for each other, the least of these is the same as if we did them for JESUS. [Matthew 25:35-40]

To our good health...

Remember it's what we eat and how we think that equals good health. Water flushes out impurities, so drink more of it every day. Let us take inventory of self often. [1john 3:4, Ecclesiastes 12:13-14, Proverbs 6:16-19]

I love you all,
Sister J. Calhoun {TWO MAMA}

HEALTH CORNER**The Benefits of Cucumbers**

Submitted by L. J. Williams & BJ Israel

Cucumbers are the fourth most widely cultivated vegetable in the world. They are scientifically known as *Cucumis sativus* and belong to the same botanical family as melons (including watermelon and cantaloupe) and squashes (including summer squash, winter squash, zucchini and pumpkin). Cucumbers have many health benefits and multiple other benefits and uses.

Here is a list of some of them:

1. Cucumbers contain most of the vitamins you need every day, just one cucumber contains Vitamin B1, Vitamin B2, Vitamin B3, Vitamin B5, Vitamin B6, Folic Acid, Vitamin C, Calcium, Iron, Magnesium, Phosphorus, Potassium and Zinc.
2. Feeling tired in the afternoon; put down the caffeinated soda and pick up a cucumber. Cucumbers are a good source of B Vitamins and Carbohydrates that can provide that quick pick-me-up that can last for hours.
3. Tired of your bathroom mirror fogging up after a shower? Try rubbing a cucumber slice along the mirror, it will eliminate the fog and provide a soothing, spa-like fragrance.
4. Are grubs and slugs ruining your planting beds? Place a few slices in a small pie tin and your garden will be free of pests all season long. The chemicals in the cucumber react with the aluminum to give off a scent undetectable to humans but drive garden pests crazy and make them flee the area.
5. Looking for a fast and easy way to remove cellulite before going out or to the pool? Try rubbing a slice or two of cucumbers along your problem area for a few minutes, the phytochemicals in the cucumber cause the collagen in your skin to tighten, firming up the outer layer and reducing the visibility of cellulite. Works great on wrinkles too!!!
6. Want to avoid a hangover or terrible headache? Eat a few cucumber slices before going to bed and wake up refreshed and headache free. Cucumbers contain enough sugar, B vitamins and electrolytes to replenish essential nutrients the body lost, keeping everything in equilibrium, avoiding both a hangover and headache!
7. Looking to fight off that afternoon or evening snacking binge? Cucumbers have been used for centuries and often used by European trappers, traders and explorers for quick meals to thwart off starvation.
8. Have an important meeting or job interview and you realize that you don't have enough time to polish your shoes? Rub a freshly cut cucumber over the shoe, its chemicals will provide a quick and durable shine that not only looks great but also repels water.
9. Out of WD 40 and need to fix a squeaky hinge? Take a cucumber slice and rub it along the problematic hinge, and voila, the squeak is gone!

10. Stressed out and don't have time for a massage, facial or visit to the spa? Cut up an entire cucumber and place it in a boiling pot of water, the chemicals and nutrients from the cucumber will react with the boiling water and be released in the steam, creating a soothing, relaxing aroma that has been shown to reduce stress in new mothers and college students during final exams.

11. Just finish a business lunch and realize you don't have gum or mints? Take a slice of cucumber and press it to the roof of your mouth with your tongue for 30 seconds to eliminate bad breath, the phytochemicals will kill the bacteria in your mouth responsible for causing bad breath.

12. Looking for a 'green' way to clean your faucets, sinks or stainless steel? Take a slice of cucumber and rub it on the surface you want to clean, not only will it remove years of tarnish and bring back the shine, but it won't leave streaks and won't harm your fingers or fingernails while you clean.

13. Using a pen and made a mistake? Take the outside of the cucumber and slowly use it to erase the pen writing, also works great on crayons and markers that the kids have used to decorate the walls!!

So the next time you're at the grocery store, don't forget to pick up some.

'CATHERINE'S COLUMN' THE GARDASIL VACCINE 'A Dose of Controversy'

The 51st *Inter-science Conference on Antimicrobial Agents and Chemotherapy* was held at Chicago's McCormick Center, September 17 – 20, 2011. Top scientists and pharmaceutical experts were there to present their individual keynote speeches on various topics concerning new drugs on the market, why some are ineffective, and new challenges with microbes and bio-film that attack metal implants.

Representatives from Merck & Co., Inc. manufacturers of the **Gardasil** vaccine were present. Gardasil is a vaccine that is used to protect men, women, boys, and girls (who have not been sexually active) against the **HPV** or Human Papillomavirus (a tumor producing virus) that is known to cause cervical cancer, uterine cancer, cancers of the reproductive track and rectal cancer. This vaccine is now available and encouraged by doctors for parents to vaccinate their son or daughter by the age of nine years old (before any sexual activity). The recommended age for men, women, girls and boys to be vaccinated is between 9-26 years of age.

I am not an advocate for this vaccine for young girls or boys due to the fact that their bodies are still in the adolescent stage of development and the DNA protein, whether dead or alive can still cause serious health effects to a child's body. The truth is you never know how the body will respond to the 'proteins'. However, doctors are trying to get parents to give this vaccine to their children by the age of nine. We should be teaching our children about respecting their bodies at the age of nine; instead, we are given convincing arguments by medical professionals to introduce DNA (dead protein) of the virus into our youth. The Gardasil vaccine must be given in three dosages in the form of 'shots'. The first dose is given at the date you and your health care provider choose, the second shot is given two months after the first dose and the third and last dose is given 6 months after the first dose.

What if you miss a dose? According to the packaging directions, you are to make sure you take all the dosages on time. If you miss a dose, it states you must talk to your health care provider. In addition, there are many side effects. For instance, fainting can happen after getting Gardasil. A person can hurt himself or herself if they faint so the health care provider may ask that you lie down for 15 minutes after taking the Gardasil vaccine. Some people who faint might begin to 'shake' or become 'stiff'. This may require evaluation or treatment by your health care provider.

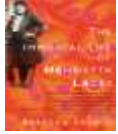

What are the ingredients in Gardasil? The ingredients are PROTEINS of HPV Types 6, 11, 16 and 18, amorphous aluminum hydroxyphosphate sulfate (aluminum hydroxide), yeast protein, sodium chloride (common table salt), L-histidine (amino acid), polysorbate 80 (stabilizer), sodium borate (boric acid or borax) which is sometimes used as a common roach killer, and water for injection.

One question that was asked of the Merck representatives was that of safety to young female adolescent's reproductive organs. The female reproductive organs do not finish developing until she reaches 18 years of age. So what will this vaccine do to alter the growth and development of her organs? Also, is giving the vaccine to young girls as well as boys going to create a false sense of security of protection against communicable diseases and to begin premarital sexual relations? The representative's reply was as follows:

*"Gardasil is not a **green light** to go and have sexual relations. It is a **red light** to stop the HPV virus before it enters the body causing serious damage or cancer."*

HPV is known to cause cervical cancer, uterine cancer, vaginal, vulva cancer and anal cancer. There are over 40 strains of the HPV virus. The Gardasil vaccine is indicated to prevent the following strains: HPV 16, HPV 18, HPV 6, and HPV 11. Parents have to keep in mind that this vaccine

contains the dead protein cells of the HPV virus that causes the above mentioned cancers. For now, we have a choice to vaccinate. In the future, it could be mandatory. For more on the HPV you are encouraged to go to the Center for Disease Control's website at: <http://www.cdc.gov/hpv/> or visit our website at: www.commerceconnections.tv and click on the tab for "Women" and infectious disease.

Also recommended for reading is "*The Immortal Life of Henrietta Lacks!*" This is a true story of Henrietta, a young black woman, her family and the HPV virus.

These were only a few of the many reoccurring thoughts that I had to fight to remove from my head. I now practice speaking positivity and affirm that I am a child of God and can do all things through Christ who strengthens me. I share this message because you may also have a few bags that you may need to put down. Once I removed a few bags I began to feel lighter and had the ability to move in new directions and accomplish so much more. My first bag was my negative thoughts but I also have other layers to shed. It's an ongoing process but at least now I'm aware and working on it daily.

Until next time stay prayed up!

Getting Rid of Excess Baggage

by Dacia Hobson

Every time I get ready to take a trip I ALWAYS over pack. I never know what I might feel like doing while on the trip and I want to have the right shoes, purse, and accessories for each event. Gotta look good right? LOL! My luggage for a two-day trip starts as a small carry-on and becomes a larger suitcase AND a duffle bag. Now you and I both know I don't need all of these items but, of course, I think I do. And what makes it even worse is that after all of the over-preparation I hardly wear half of the items in these monstrous back-breakers aka luggage. And it does more harm than good causing me to have sore arms and back as well as paying extra fees to check my bags. Ouch!

After thinking about ways to make my travel more practical I started to think of the baggage in my life—the symbolic baggage I have been carrying around that weighs me down and causes me more pain than good. The first bag that I had to release was my negative thoughts. This bag was small and convenient so I would usually carry it around every day. Although seemingly unnoticeable, my thoughts were infected with negative themes of insecurities, self-doubt, low self-esteem, envy, and assuming the worst at every turn. We all know that, "for as he thinketh in his heart, so is he:" (Prov. 23:7), and my thoughts at times limited my ability to grow and achieve. I realized I had to start rebuking those negative messages when they would creep up on me. I had to practice affirming the positives and refuse to believe those negative thoughts such as:

- You're not good enough
- You're not attractive
- You're not smart enough
- It's beyond your reach
- You're not talented enough
- You can't do it
- You don't have a purpose
- No one will listen to you

The Company You Keep

**It is better to be alone,
Than in the wrong company.**

**Tell me who your best friends are, and
I will tell you who you are.**

**If you run with wolves, you will learn how to howl.
But if you associate with eagles,
You will learn how to soar to great heights.**

**A mirror reflects a man's face.
But what he is really like is shown by the kind of friends he chooses.**

**The simple but true fact of life is,
You become like those with whom you closely associate
for the good and the bad.
The less you associate with some people, the more your life will improve.**

**Anytime you tolerate mediocrity in others,
It increases your mediocrity.**

**An important attribute in successful people is their impatience with
Negative thinking and negative acting people.**

**As you grow, your associates will change.
Some of your friends will not want you to go on.
They will want you to stay where they are.**

Friends that don't help you climb will want you to crawl.

**Your friends will stretch your vision
or choke your dream.**

**Those that don't increase you
Will eventually decrease you.**

Peace in Jesus' name!

 - All food must be labeled and checked in by a member of the feast committee.
 - All food for the feast is requested 45 minutes before the scheduled class time.
 - The class will purchase all meat for the class from designated meat houses.
 - All meat must be prepared and brought to class for the feast, you are not to keep any of it at home for you or your family; IT IS THE LORD'S FEAST!!!
 - Anyone who signs up to prepare a dish for the feast is expected to do so. If you are unable to prepare your dish please contact a member of the feast committee in advance.

*** Special Instructions**

- A good suggestion is to have a back-up person (who is a member of class) to prepare your dish if you become unclean.
- Everyone preparing food for the feast should have heard and understood the Dietary Law,
- Have purchased and read the Clean and Unclean Food Products Pamphlet
- Preparing to Cook
 - Clean your kitchen before you prepare food for the feast
 - Wash all counter tops, pots, bowls, and utensils being used.
 - Clean your refrigerator and stove inside and out.
 - Mop your kitchen, especially under your refrigerator and stove.
 - Wear a headdress (scarf, bonnet, etc.) to prevent hair from getting into the food.
 - No one who is unclean should enter your kitchen once you have cleaned it.

- Sweet Potatoes must be fresh, not from a can.

***** Leavening Agents**

- **Leaven** is an agent, such as yeast or baking powder, which causes batter or dough to rise, especially by fermentation.
- **Leavening** is the production or incorporation of gases in a baked product to increase volume by causing the baked product to rise

Instructions About Leavened Products During The Feast of Unleavened Bread [Approved by Bro. Buie]

Many questions arise during this feast pertaining to leaven: leaven means “**puffed up**”. All “**BREAD**” products (*i.e. Breads, Waffles, Donuts, Cookies, Brownies, Croissants, Breaded Chicken/Fish, Pancakes, etc.*) that are leavened (Puffed Up) should be removed from your home before the end of Passover. You do not have to throw away your baking powder, baking soda or yeast during this feast because these products are in dry form and haven't been mixed with water, or other liquid and dry ingredients to activate them. **Dry mixes** (bread mix, cake mix, etc.) containing leavening agents do not have to be thrown out because they have not been leavened (puffed up). **Matzo (Matzah)** is the bread of choice for most people during the Feast of Unleavened Bread, but alternatives to Matzah are **Hot Water Corn Bread** or **Pita Bread** [to be safe don't use any leavening agents in them that could cause them to rise]. If you purchase Pita Bread make sure that it isn't puffed up.
