1. The Passover represents the day to come that the Lord will pass over our sins. 2. Once we find out that we are doing something wrong, (Recite- we must stop and not do it again). 3. We must then repent of the wrong and bad things we have done. 4. We must then (Recite- change our behavior, keep the commandments and try not to continue to break them). 5. In return, everyone on the planet has been (Recite- given a second chance to get eternal life)! 6. The word Passover means (Recite-to go around someone or something and not touch them). 7. The word sin means, (Recite- to break God's commandments). 8. The word repent means to (Recite- simply say that you are sorry for breaking God's commandments). 9. God does not like it when anyone sins! 10. If a person doesn't stop sinning, (Recite- God will not pass over their sins), and that person will not get a chance to get eternal life in the good side of God's kingdom.

How the Need for the Passover Began

11. To understand this, we must go all the way back to the time of Adam and Eve. 12. In the Garden of Eden, there was a bad angel. 13. This bad angel was known as (Recite- the Tree of the Knowledge of Good and Evil). 14. Because of his behavior, (Recite- he was called a serpent). 15. (Recite- A serpent is another word for a snake)! 16. There is more than one meaning for the word, snake. 17. One meaning for the word snake is, (Recite- a long reptile without arms or legs). 18. Another meaning for the word, snake is (Recite- a liar or a deceitful person). 19. (Recite- A deceitful person tells lies mixed with the truth to get someone to believe them). 20. This bad angel was very deceitful! 21. This bad angel (Recite- deceived or lied to Eve)! 22. He told her some lies mixed with the truth. 23. When the bad angel lied to Eve, she believed the words of the bad angel. 24. (Recite- Eve believed that the words the bad angel was telling her was the truth). 25. The lies that the bad angel spoke to Eve (Recite- were as sweet fruit). 26. These lies were called, (Recite- the fruits of lies). 27. Eve then spoke those words (Recite- to Adam). 28. (Recite- Adam, listened to the lies that the bad angel had told Eve)! 29. Now, fruit can be sweet or fruit can be bitter! 30. When Adam listened, (Recite- Adam sinned, breaking God's commandment)! 31. God had told Adam that he was not to eat of the fruit of the Tree of the Knowledge of Good and Evil, who was a bad angel. 32. God also told Adam that if he were to eat the fruit of the Tree of the Knowledge of Good and Evil, (Recite- Adam would die that very day). 33. Another word for someone who dies is, sleep. 34. (Recite- To eat fruit in this manner is not with your mouth, but with your mind)! 35. How do we learn to do anything? 36. We learn by (Recite- hearing words told to us or reading words). 37. (Recite- The words we hear or read is like fruit that can teach us how to do good things or bad things)! 38. Now, (Recite- Twenty-four hours to us is one day); but, (One-thousands of our years is one day to God). 39. At this point, over many years, (Recite- Adam and Eve began to age and get older). 40. Then, (Recite- at 930 years old, Adam fell asleep, which means he died). 41. Also from this point, (Recite- any children born to unto Adam and Eve will also age, get older, and also fall sleep). 42. To this day, everyone on this planet (Recite- continues to die within one thousand years or one day, according to the word of the Lord). 43. So, think about this! 44. What if Adam had never sinned by listening to the words of this bad angel?

Enter Abraham: A Covenant and the Beginning of a Nation

45. Now, let's move forward through the years to the patriarch Abram, known as Abraham. 46. Abram had a dream one night. 47. In his dream, (Recite- the Lord told Abram that his seed will be as stars in the heaven and as the sand by the seashore if Abram obeys God). 48. The Lord also told Abram (Recite- that his seed will go into slavery for four-hundred years). 49. Also, (Recite- that nation that put Abram's seed into slavery will be judged and punished by God). 50. (Recite- At ninety nine years of age, God made a covenant with Abram). 51. (Recite- God then changed Abram's name to Abraham). 52. Abraham means (Recite- the father of many). 53. From Abraham's seeds, which are his children, will come (Recite- so many children, they will become a nation). 54. (Recite- A nation is a lot of people that keep the same laws). 55. (Recite- A nation also keeps the same customs and traditions). 56. (Recite- A custom is the accepted way a society or a nation lives, believes and behaves). 57. (Recite- A tradition is something that is taught from generation to generation). 58. When we teach our children all about God's Holy Days, the Sabbath Day and God's feast days, we are teaching our children our customs. 59. When our children grow up, get married and have children, our children will teach their children, and so forth. 60. (Recite- This is called tradition). 61. A nation also has the same beginnings. 62. (Recite- Our beginnings as a nation started with Abraham). 63. So, after a great show of faith, Abram was willing to sacrifice his only son Isaac, (Recite- but the Lord had an angel to stop him). 64. Not only did the Lord promise Abraham that his seed will be as the stars in heaven and as the sand by the seashore, (Recite- but also that one of Abraham's seed or bloodline, Jesus will be born. 65. Why? 66. (Recite- Because Abraham obeyed God)! 67. (Recite- through Jesus, the Seed of Abraham, all the nations of the earth will be blessed). 68. When will all nations be blessed? 69. (Recite- At the death and resurrection of Jesus which gave everyone access to the Tree of Life again, who is Jesus)! 70. Abraham fell asleep or died obeying God, keeping God's commandments. 71. Since he died, there was no way Abraham could break the covenant God made with him. 72. God must now keep the promises He made to the man named Abraham.
