1. The Passover represents the day to come that the Lord will pass over our sins. 2. Once we find out that we are doing something wrong, (Recite- we must stop and not do it again). 3. We must then repent of the wrong and bad things we have done. 4. We must then (Recite- change our behavior, keep the commandments and try not to continue to break them). 5. In return, everyone on the planet has been (Recite- given a second chance to get eternal life)! 6. The word Passover means (Recite-to go around someone or something and not touch them). 7. The word sin means, (Recite- to break God's commandments). 8. The word repent means to (Recite- simply say that you are sorry for breaking God's commandments). 9. God does not like it when anyone sins! 10. If a person doesn't stop sinning, (Recite- God will not pass over their sins), and that person will not get a chance to get eternal life in the good side of God's kingdom.

A New Way to Live Forever

138. Although we have faith and believe in God, we all still age, get old and fall asleep. 139. As stated in the law, (Recite- the soul that sinneth, it must die). 140. Remember! 141. Our body is a soul! 142. But what if someone had come along who had never sinned? 143. If that person never sinned, they should never die! 144. Right? 145. And if such a person were to come along, (Recite- He could make a way for all who believed in God, to get eternal life also). 146. How? 147. That man could (Recite- make a way for a resurrection for the souls of those who fell asleep or died, but yet, believed in God). 148. Of course, (Recite- you must repent, changed your behavior and keep the commandments just as did Abraham). 149. When Jesus came, He taught the people how to walk according to the law, (The Commandments). 150. The commandments (Recite- were ordained to life, just and holy). 151. The Commandments we keep today, can bring eternal life to everyone that keeps them. 152. Since Adam sinned against God and broke God's commandment, Adam had to die. 153. We all are born from Adam. 154. We also, over the years will get older and fall asleep, as did others. 155. (Recite- This death that began in the Garden of Eden, was passed down from generation to generation). 156. (Recite- Death and dying will continue until Jesus returns and completes the Passover). 157. When? 158. (Recite- When we are in the Father's kingdom)! 159. (Recite- After the Father's kingdom, New Jerusalem comes down to this earth, the Passover will have been completed).

Jesus is The Door, the New Way, Our Passover

160. Jesus came down from heaven and was born in mortal flesh. 161. Remember, (Recite- the word mortal means, able to die). 162. Before, Jesus was spirit. (Recite- Spirits live forever and spirits never die). 163. (Recite- Jesus walked this earth keeping the commandments without sinning). 164. Jesus had told His disciples that He would die, then rise from the dead. 165. (Recite- On the day of the yearly Passover, Jesus will be wrongfully killed)! 166. Before His death, Jesus kept the day of the Passover with His disciples. 167. Jesus took unleavened bread and told His disciples to take it and eat it. 168. Remember, (Recite-unleavened bread represents no sin)! 169. (Recite- Jesus told them that the unleavened bread represented His body). 170. Now, as the law says, the soul that sinneth, it shall die! 171. Because Jesus never sinned, His body should not have to die! 172. Right? Jesus then took the wine and told His disciples to drink all of it. 173. (Recite- The wine represented Jesus' blood of the New Testament which is shed for many for the remission of sins). 174. By the death

of Jesus, (Recite- our sins are forgiven and we have another chance at eternal life)! 175. Just as in Moses's day, the blood of the lamb protected the lives of those that believed from death; (Recite- so will the death and resurrection of Jesus protect all who believe from eternal death). 176. So, we pray today in Jesus' name! 177. Only through Jesus can we all be saved (Recite- if we believe and work for our own salvation, by keeping the commandments)!

A New Soul Body: The Spiritual Adoption

178. God is a spirit; and they that worship God must worship Him in spirit and in truth. 179. All the while Jesus walked the earth as a man, He called Himself, the son of man. 180. Why? 181. (Recite- Jesus was born into a flesh and blood body as us). 182. And just as the lamb was sacrificed and killed in the middle of the first month, so was Jesus. 183. Three days and three nights later, Jesus was resurrected on Saturday just before sundown. 184. When Jesus rose from the dead, He was no longer a mortal man with a mortal body. 185. Jesus now has a spiritual body again. 186. Remember, the word mortal means, able to die. 187. (Recite- Although Jesus died during the middle of the week, by the end of the week, Jesus was a spirit being again). 188. (Recite- Jesus rose from the dead on a Sabbath Day, the seventh day). 189. Here, Jesus was telling us something more! 190. How many days are there in a week? 191. (Recite- Seven)! 192. Right! 193. Now, remember that (recite- one day to God is one thousands of our years). 194. (Recite- At the appointed time, everyone born in this world that are made in the image and likeness of God gets a resurrection)! 195. (Recite- Everyone will become **after the kind- of spirit beings**)! 196. Remember, (Recite- spirit lives forever)! 197. Someone had finally come along and died without sinning, and had to be resurrected to stop people from dying. 198. Jesus will (Recite- at that time pass over the sins of those in the first resurrection). 199. At the first resurrection, on the 7th month, of the 6000th year just before the 7000th year, those who over the years, from Adam to our time that has died keeping the commandments are resurrected first. 200. They will rise from the dead with a spirit body. 201. (Recite- Just as God physically adopted Israel during the time of Jacob, Jesus will then spiritually adopt us all into His spiritual family). 202. This is the reason why we keep the weekly Sabbath Day! 203. (Recite- The weekly Sabbath keeps us reminded that the Lord will **adopt us after His kind**, into His spirit family at that time in the future)! 204. (Recite- After those that died keeping the commandments rises with their new spirit bodies, those still alive are simply changed into spirit beings)! 205. Remember, spirits never die! 206. Spirits lives forever. 207. (Recite- Once the Father's kingdom comes down, death has now passed over all who kept the commandments). 208. (Recite- Only those who kept the Laws, Commandments and statutes will get to live with Jesus the Father and with Jesus the Son in the good side of the kingdom). 209. We must be changed into spirit beings! 210. Why? 211. (Recite- Because our mortal bodies that have flesh and blood in them can't live in the kingdom of God). 212. A mortal body can die! 213. A spirit body lives forever! 214. This is why we keep the Passover. 215. It means to (Recite- righteously pass over from a physical mortal life to an eternal spiritual life). 216. Remember that the unleavened bread for the Passover represents (Recite- a state of 'No Sin', or going from flesh to spirit). 217. To become spirit, (Recite- we MUST eat this bread which is the word of God). 218. This bread (Recite- will change the way you behave until the Lord changes you, adopting you to a spirit being at the first resurrection)! 219. In the beginning when God made man, He did so (Recite- making man in His image and after His likeness, but not after His kind). 220. Now, we will be made after God's kind, which will be spirit. ! 221. Spirits live (Recite- forever)!
