Lesson 45
The 2nd Judgment: The Plague of Frogs

Exodus 8:1-15; Psalm 78:12, 44-45; Psalm 105: 26-27,29-30.

1. After the Lord had turned the waters of Egypt to blood for seven days, the waters were now, back to normal. 2. (Recite- This time, the Lord commanded Moses to go the Pharaoh and tell him...Thus saith the Lord, Let my people go, that they may serve me). 3. If the Pharaoh refuses to let the Children of Israel go, (Recite- the Lord will smite all of Egypt with frogs). 4. The rivers will bring forth an abundance of frogs! 5. The frogs will go into everyone's homes. 6. The frogs will be in the bed chambers, the kneading troughs and the ovens of the people. 7. They shall also be upon the people of Egypt. 8. Now, after the Lord has told Moses about this plague to come, it was now time to make it happen! 9. To bring the plague of frogs upon the land of Egypt, (Recite- the Lord told Moses to tell Aaron to stretch forth his hands over the streams, rivers and ponds of Egypt). 10. (Recite- Once Aaron does this, the frogs will come upon the land of Egypt). 11. Remember, (Recite- Aaron is Moses' prophet). 12. Moses and Aaron did as the Lord had commanded, and frogs came forth and covered the land of Egypt. 13. (Recite- God is performing His wonders and His Judgements in the land of Egypt, known as the land of Ham). 14. The Pharaoh's magicians were also able to bring forth frogs upon the land. 15. The Pharaoh then called for Moses and Aaron and asked them to intreat the Lord for him; that the Lord may remove the frogs from the land of Egypt! 16. (Recite- To intreat means to plead, beg or ask to have something done). 17. In this case, (Recite- the Pharaoh asked Moses to ask God to remove the frogs out of the land of Egypt). 18. (Recite- In return, the Pharaoh said the he will let the Children of Israel go, to sacrifice to the Lord). 19. Here, the Pharaoh has given his word about what he will do if the Lord remove the frogs from the land of Egypt. 20. (Recite- When someone gives their word to do something that is the same as making a vow). 21. It is always best to never make a vow, promise or give your word if you cannot keep it! 22. Moses told the Pharaoh to, 'glory over him' when he intreat the Lord to remove the plague of frogs from the land of Egypt. 23. So, what did Moses mean when he told the Pharaoh to glory over him? 24. (Recite- Moses was simply saying, be thankful, grateful and or glad the he will ask the Lord to remove the frogs from the land). 25. Furthermore, the Pharaoh is to know that there is none like the Lord our God! 26. After leaving the Pharaoh's presence, Moses cried to the Lord, asking Him to destroy the frogs from the land of Egypt. 27. (Recite- The Lord did as Moses had asked and destroyed the frogs). 28.(Recite- They gathered them in heaps meaning they stacked the dead frogs in a pile upon each other). 29. (Recite- The land stank because of the dead frogs). 30. (Recite- When the Pharaoh saw that there was respite, which is a moment of rest, relief, and some peace from the plague of frogs, the Pharaoh's heart hardened yet again)! 31. Once again, the Pharaoh refused to let the Children of Israel go! 32. Also, yet again, the Pharaoh refused to hearken to the word of the Lord. 33. And the Lord must once again, bring yet another plague upon the land of Egypt until the Pharaoh let the Children of Israel go.
